

# NATIONAL SORRY DAY

*Together, we can create a future  
where apologies and understanding  
lead us towards healing, and long  
lasting reconciliation.*

# NATIONAL SORRY DAY

*National Sorry Day is a special day in Australia that helps us understand the importance of saying sorry. On this day, we remember and acknowledge the hurt and pain experienced by our Aboriginal and Torres Strait Islander peoples and their communities, especially the Stolen Generations. The Stolen Generations are Aboriginal and Torres Strait Islander children who were taken away from their families and communities. National Sorry Day teaches us about empathy, respect, and how apologies can help heal deep wounds.*
